Dedication

We, the students of North Marion Union High School, affectionately dedicate the 1956 Husky to Mr. Claire D. Keltner. His outstanding teaching ability and pleasant personality have endeared him to students for many years past. Active in advising and directing classes and clubs, his friendly smile has become a familiar and welcome sight in the halls and classrooms. We hope to see him adding his name to the list of the North Marion faculty for many years to come.

School Management

There are on the job at North Marion every day, besides faculty and students, others who help to keep the school running smoothly. On this page are those who in their particular department have done their job well this year. In the upper left corner is Mrs. Frances Green, secretary to the principal, office manager, and clerk of the school district. Upper center are the school cafeteria cooks, Mrs. Martha Chumbley and Mrs. Dollie Lucento. The smiling gentleman at the right is Mr. Ray Wertz, who with the night custodian, Mr. Ben Netter (he's camera shy) keeps the building clean and comfortable. Below are the three bus drivers who transport students not only to and from school morning and night but also take them on field trips, to ball games, band contests and otherwise provide transportation when needed. The students at North Marion appreciate the courteous and careful service given them by these people.

In spite of the usual wet start for baseball, with "sliding home" more than a figure of speech, and "Game called on account of rain" becoming a familiar phrase, North Marion enjoyed a good season. The number of freshmen out for baseball this year gives promise for a strong team next year.

Kneeling: D. Dougherty, R. Troudt. Standing: F. Elkins, K. Lambert, W. McLin, V. Fobert.

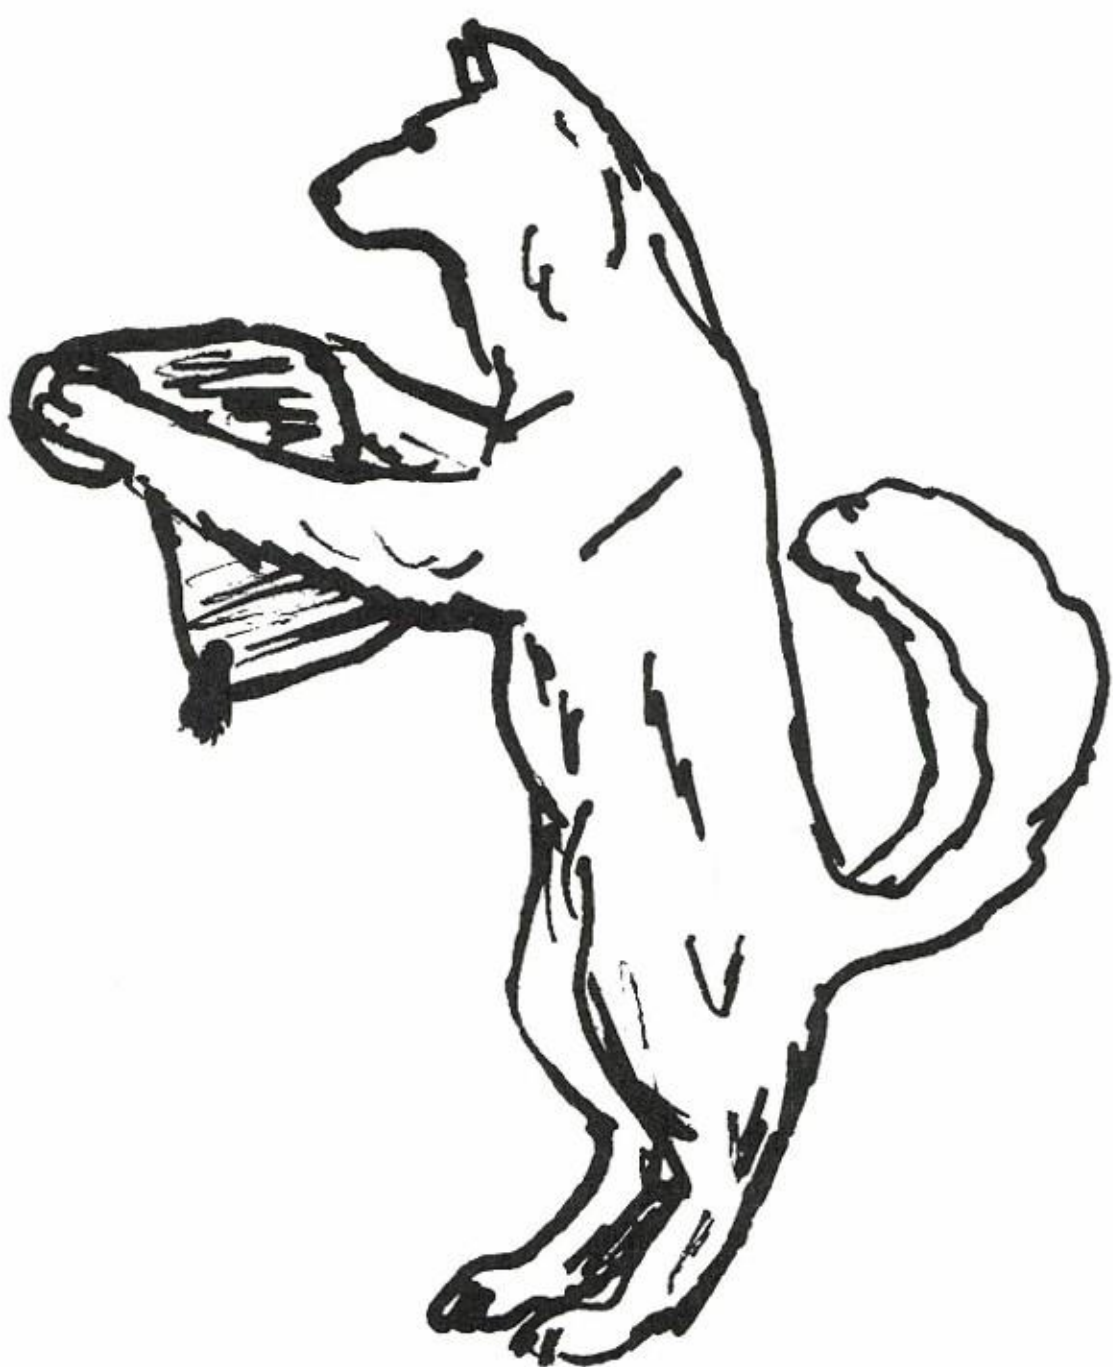

The track team began their season auspiciously by winning their first three-way meet. A large number turned out for the sport. To quote coach Walt Aldridge: "We have a new brand of foot powder this year which will cure everything except webbed feet." Unquote!

Considering the fact that there were only six boys out for cross-country, they made a very good showing. All the North Marion team did very well and continued their good work in the state tournament. More boys are urged to go out for this sport next year.
